

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 2001-796

November 20, 2001

Richmond Utilities District
Application for Approval of Issue
Of Securities (§ 902)(\$100,000)

ORDER

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On November 13, 2001 the Richmond Utilities District (the District) filed with the Commission its application for authority to issue its bond in a sum not to exceed \$100,000 through the United States Government Rural Utilities Service, at an annual rate not to exceed 5 percent. The debt will be paid over a term not to exceed 40 years.

The District requires these funds to make improvements to its water system, including, but not limited to the installation of a new water transmission main across the Kennebec River and Swans Island and installation of a new pump station and upgrading the well site in the Town of Dresden.¹

Pursuant to an Amended Delegation Order dated January 9, 1996 in Docket No. 93-169, the Commission delegated to the Director of Finance its authority under 35-A M.R.S.A., Chapter 9, and 11, to approve water utility financing applications, including those that involve mortgaging utility property, for Maine Municipal Bond Bank, Rural Economic & Community Development Administration and their successors. This delegation in no way limits the Commission's authority to review the decision of the Director of Finance pursuant thereto or to directly consider requests for variations. The Director of Finance's approval shall be in the form of an Order, copies of which shall be maintained in the files of the office of the Administrative Director.

Having reviewed the application of the District, together with data filed in support of it, it is the opinion of the Commission that the proceeds of the issuance of the bond are required in good faith for the purposes enumerated in 35-A M.R.S.A. § 901. In approving this securities issue, consistent with normal practice and pursuant to §902 (4), the Commission does not imply approval of the District's capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

¹ This bond is in addition to a bond previously authorized by the District's Trustees and approved by the Commission (Docket No. 2000-635, August 2, 2000) for the project in an amount of \$372,400.

Accordingly, pursuant to the Amended Delegation Order dated January 9, 1996, in Docket No. 93-169, I

O R D E R

1. That the District is hereby authorized to issue its bond in a sum not to exceed \$100,000 to be used solely for the purposes described in this Order, and at a rate not to exceed 5 percent per year through the United States Government Rural Utilities Service for a term not to exceed 40 years.
2. That the District report to the Commission, in writing its doings pursuant to this Order within sixty (60) days of the date of the issue of the proposed bond, or February 28, 2002, whichever may come first.
3. That a copy of this Order be mailed to interested parties and this Docket be closed.

Dated at Augusta, Maine, this 20th day of November, 2001.

BY ORDER OF THE ACTING DIRECTOR
OF FINANCE

Richard Kania
Acting Director of Finance
